20% off 1st birth photography, additional 10% off each consecutive birth***

How Much Does it Cost?

At the time of booking your creative fee (\$400 or \$360; see previous page) is due to hold your date for your maternity session or your 1st Bebe session.

At your bebe's newborn session 1/3 of the plan you chose is due and then another 1/3 is due at your 6-7 month session and the remaining balance is due at the 1 year session. By the time your Bebe is 1 year old, you will have purchased everything from the list above.

Total Including Creative Fee

Bebe Plan 1: 5 Sessions; \$1860

Belly and Bebe Plan 2: 6 Sessions; \$2200

You also have the option of paying in advance your full amount at an additional 10% discount.

Due to children developing at different rates, you always have the option of coming in when your baby hits their developmental milestones: newborn, pushing up on hands, sitting with out help, standing, and 1 year

** If you only purchased the Bebe Plan 1, the 8x8 Belly/Baby Flip Album will not be included because a maternity session did not take place.*

***If your deposit of 1/3 down has not been received before or on the day of your session I will be unable to complete your sessions.*

**** Clients must continue on a new Bebe Plan to receive their additional 10% off consecutive births.*
